Bristol A Second Look 2010

We are delighted to announce that the public has chosen a winner of Bristol A Second Look 2010. The big Bristol photo comp challenges entrants to supply a picture showing unnoticed aspects of Bristol; what we might otherwise pass by; the small things we might take for granted; details with hidden interest or beauty; or places which people might not normally be able to see. The winner is: **Shafiq Zahar** with **The Eye** a creative image of the new Cabot Circus car park. Thanks to all of you who entered or voted, once again we have been blown away by the response to this competition.

One Life Photo comp

One Life is an international photography competition open to all backgrounds, and styles. You are invited to submit photography illuminating your perspective, what you love, your travels or anything else that shows your world and experience. This competition is about honoring your vision and demonstrating that, with all our differences, we are one community connected by our love of images. The Grand Prize is your choice of either: \$25,000 or A Dream Trip Around the World

Deadline: October 29th, 2010

Arts and Local News

Broadwalk Arts Events

Big Draw

For the Big Draw 2010 Broadwalk Arts will be celebrating the built environment of South Bristol by creating a big mixed media drawing of local buildings. Monday 11th to Saturday 16th October, 10am to 4pm daily (we can open later by prior arrangement).

Groups, artists, schools and anyone else who wants to get involved are invited to add to our big scene. We have a large selection of materials for you to use and one of the Broadwalk Arts volunteers will be on hand to encourage, help and inspire. Alongside our Big Draw event we will be showing a range of drawings, photos, prints and paintings of our local buildings.

Advent Calendar

Throughout December there will be a massive advent calendar in the Broadwalk Arts window space. We are looking for artists, makers, groups and anyone else who wants to get involved to design and make things to go behind the 25 windows. You'll be given a box and what you do with it is up to you (all we ask is that whatever you make fits inside the box as that's the only bit you'll be able to see). Work in the boxes can be in any media and should be on the theme 'my christmas'. This will run alongside the Christmas exhibition inside the shop space

Bristol Music Calendar

We are pleased to announce the new Headfirst website was successfully launched in late September. People are loving the new look and it's great to see people appreciating that Headfirst is not a business venture but a project for Bristol's entire music community to get involved in. This website offers a comprehensive Bristol Music Calendar with no advertising or other distractions. This is a community website that has no publicity budget and is calling out for help from Bristol's independent bands, venues and promoters to help spread the word about the new website.
