Cameraworks

An Exhibition by Michael Reeves

Award-winning photographer Michael Reeves presents an exhibition of photographs taken with unconventional cameras. The plastic-lensed Holga, with its unique optical characteristics, creates atmospheric photographs with vignettted corners and soft focus edges. Pinhole cameras dispense with the lens altogether and produce images with their own unique aesthetic.

Photo Events Further Afield

Hereford Photography Festival.

Twentieth annual Hereford Photography Festival.
29th Oct - 27th Nov

“The festival began with distinct aims; to bring great photographers and photography to the region and to actively engage audiences, all of which remain at the very heart of our ambitions. TWENTY- co-curated by Paul Seawright - is our celebration of the festival’s legacy; a retrospective of some of the great photographers we have exhibited in the past as well as newly commissioned work by renowned photographer Tessa Bunney and the very finest new talent in our open submission exhibition”
